Testimonials

Dear James

Thanks again for letting us use your fantastic boat for our wedding on the 28th Feb.

Every guest told us that the seafood was beautiful and said they could have stay there all night eating.

All of your staff were very welcoming and nothing was to much trouble. We even had a couple of guests say they thought the staff must have been invisible as everything was organized and done with no fuss at all in such a small area.

The boat looked perfect as we knew it would be just from looking at other pictures and talking to Tanya over the phone. Nothing was a problem and everything was hassle free.

If there is anything we can do for you to spread the word please feel free to contact us.

Thanks again

Kate and Anthony Gerlinger

Hi James

Firstly can I thank you guys for the FANTASTIC night we had on board last Friday.

You made our wedding very memorable, and all the guests were raving about what a beautiful night it was!

We will send a good photo as soon as we get them back. Thanks again for an awesome night.

Regards, Michelle

Hi James and all the Crew,

What can I say but thank you!

For all your help and involvement in making Saturday night a success. It was fantastic in every way. The organization, the hospitality of the crew, the food, the decorations...in fact there was not another thing that could have happened to improve the night further. Rarely these days do you come across a business that does it so well. Congratulations! EVERYBODY has raved about it since the night and I have no doubt you will be seeing many of us again. You will definitely be referred at every opportunity.

Take good care.

Cheers

Regards

Darrell Watson

- Experience in shooting wedding videos
- Someone who is unobtrusive and approachable
- Someone who can shoot well in any environment and conditions
