the story... the Fifendekel story is one of commitment and dedication.

Fifendekel opened its doors February 1983. Ann baked the pies and and cinnamon buns and Gordon served the customers. Our first day in 1983, Mom made three pies, a far cry from the hundreds we now bake every week, but we still peel the apples and roll the dough the same way she did those many years ago. Join us for lunch or have us cater your next luncheon.

fast. friendly. flavourful.
